BRIEF ABSTRACT OF LETTER.

Forwards duly verified a proposition Statement together with Senior Surgeon's letter no: G 4508/6/7 · 3 · 11 re: revision of the establishment of the Lunatic Asylum, Bangalore and states that the financial effect of the revision as proposed will be an increase of Rs 15 per mensem to the permanent recurring expenditure of the State and same increase under pension any charges.

NOTES AND ORDERS.

J The establishment of the Lunatic Asylum was recently revised ie in July/09. Vide G.O no: 422-3 med 117-08-6 dt 12.7.09

S In the proposition Statement received with the Comptroller's letter no: 2790/B&R 445 dt 19.11.08 the Senior Surgeon had proposed an increase of Rs 5 to the pay of the matron

2 The increase of pay to the matron was not sanctd in G.O. dd 12.7.09, the Senior Surgeon has repeated the recommendation. Increases of pay have also been proposed to the barber, the dhoby and the Brahmin cook. In lieu of 6 male attendants on Rs 7 each, the Senior Surgeon proposes to employ 4 attendants on Rs 7 each and two male attendants on Rs 12 each The reasons for the proposals are given in the Senior Surgeon's letter.

3. The allowce of Rs 5 a month to the Sergeants is proposed to be discontinued and the same made available towards the increased cost on account of the pay of the matron proposed to be raised from Rs 25 to Rs 30/.

3 [In G.O. nos: 1210-11 & 22-8-03 the pay of the Sergeant of the Lunatic Asylum was G.O. 739-92 increased from Rs 30 to Rs 35, the allowce of Rs 5 drawn by him for doing the muntasby work connected with the Leper Asylum being added on to his pay. ~~Reasons~~ Reasons why the allowce has been continued ever since is not clear It seems to be due to the fact that in the Statement appended to G.O. dd 22.8.03, an allowce of Rs 5 was shown as sanctd to the Sergeants from Contingencies in addition to the pay of Rs 35/.

The entry in the Statement seems however to ~~have~~ have been due to a mistake - Even Supposing that the allowance was continued ~~for~~ to the Sergeant for doing Clerical work Connected with the Lunatic Asylum, the Same Should, it Seems, have been discontinued from the date of entertainment of the Clerk Sanctd in G.O No. 4883-4 Med 288-06-7 dt 27.11.07 for the Lunatic Asylum The point ~~however~~ however Seems to require further explanation why the allowance is being continued.

6. For doing the clerical work of the Leper Asylum, the pay of the Sergeant of the Lunatic Asylum ~~at~~ was increased from Rs 30 to Rs 35- by G. O. dated 22nd Aug 1903. Under G. O dated 13th Sep 1897, the Sergeant was drawing a house rent of Rs 5- per mensem. In July 1903, the Senior Surgeon suggested that the house built for the Stores Writer might be placed at the disposal of the Sergeant. This was sanctioned in G. O dated 16th Sep 1903

and as the house-rent to the Sergeant was being paid out of contingencies, the contingent amount of the Lunatic Asylum was ordered to be reduced by Rs 60- from the date of that order, the house rent allowance of Rs 5- to the Sergeant should have been stopped - The Senior Surgeon and the Comptroller may be asked to explain how the allowance was continued to the Sergeant till now ~~[illegible]~~ and it may be ordered that pending final orders in the matter it should not be drawn - The Leper Asylum has now been transferred to another building and it does not seem that the Sergeant now does any work connected with it but yet, he ~~[illegible]~~ draws the increased pay sanctioned in the G. Deducting Re 1/- pm. for the barber disallowed by the administrative Deptt Rs 19/- a month net increase is left. It is not understood what better type of man for sick nursing will be available for Rs 12/- Perhaps one of the convicting men on Rs 7/- will be appointed. Again why cannot the same arrangements for Compounding as hitherto prevailed continue? The Senior Surgeon's letter throws no light on this subject. The amount involved is small but we cannot afford to increase establt. charges to any extent. If believes therefore the administrative Deptt to reduce the extra charge as far as possible. M 17/5/11

1. To increase the pay of the Matron from - Rs.25 to 30
2. -do- Barber -do- " 8½ to 9½
3. -do- Washerman -do- " 7 to 8
4. -do- Brahmin Cook -do- " 7 to 10,

and to entertain a Compounder and a "male nurse" each on Rs.12 per mensem - at a total additional cost of Rs.34 per mensem. As a set off against the increases, it is proposed to reduce the number of male attendants on Rs.7 from 6 to 4 and to discontinue the allowance of Rs.5 to the Sergeant. The net increase involved is thus Rs.15 per mensem or Rs.180 per annum.

2. As explained in the office notes, the allowance of Rs.5 having already been stopped, the real increase will be Rs.20 per mensem.

3. The Financial Department has noted that the amount involved is small, but that we cannot

afford to increase establishment charges to any extent and that it behoves the administrative department to reduce the extra charge as far as possible.

4. The First Councillor is in favour of sanctioning the increases to the Matron, Dhoby, Barber and Brahmin cook, and as regards the Compounder and the male nurse, to be newly entertained, he states that the pay may be Rs.10 each. The additional cost would thus come to Rs.30 per mensem, and deducting the sum of Rs.14, the pay of the two male attendants whom it is proposed to dispense with, the net extra cost would be Rs.16 per mensem or Rs.192 per annum. The Second Councillor also agrees to this.

5. I agree with the Councillors and submit the papers for orders.

Sir,

I have the honor to forward herewith for favor of sanction a proposition statement revising the establishment attached to the Lunatic Asylum with a copy of the letter No. 391 dated 8-2-11 from the Offg Senior Surgeon in charge Lunatic Asylum.

I have the honor to be,

Sir,

Your most obedient servant,

P. S. Achyutarao

Offg Senior Surgeon, Mysore Govt.,

Letter No. 391 dated 8-2-1911 from the Offg Senior Surgeon in charge Lunatic Asylum, to the Offg Senior Surgeon M.G.

In forwarding herewith the proposition statement for increase of pay to the Matron, the barber, the washerman, the brahmin cook, and entertainment of a Compounder and a Male Nurse to attend on the sick, for favour of obtaining Government sanction, I have the honor to state that the increase to the Matron's pay is absolutely necessary. She lives under peculiarly miserable circumstances with maniacs on either side of her. Her duties are very onerous, not limited to the day only but at nights also. She has to be up to and three times to allay the turbulent women's ravings and calm many a lunatic who gets excited only at nights. She has to be on the premises for the 24 hours of the day and holiday, even on a Sunday, is unknown to her. Eurasian as she is the pay she gets is miserably small and a five rupee increase though not much in itself is a great boon to her. She has, owing to a severe illness recently (Pneumonia contracted in the course of her duty), suffered very much and to recuperate her health she has had to spend a lot of money though, she could not get her full pay as she had to go away on combined privilege leave and leave on medical certificate. The increase proposed to the Matron's pay can be met from the amount sanctioned as allowance to the Sergeant.

2. An increase of one rupee for the barber is provided for, as the poor man has served for over ten years on his present pay and his wages if paid for at the usual or ruling market rates he would be entitled to much more than what he gets now as fixed pay.

3. The dhoby has very heavy and in an Institution like the Lunatic Asylum where patients soil their clothing with excreta, a very dirty and uncongenial work. No dhoby therefore stays on continuously for a number of years on a small pittance. An increase therefore of a rupee per mensem is proposed to the dhoby's wages.

4. An increase of Rupees three per mensem is provided for the brahmin cook as it has been found most difficult to get a decent brahmin Cook for Rs. 7/- per mensem to work in the Lunatic Asylum and put up with all the untold inconveniences which service in a mad house entails. In Bangalore now a days, where the demand for brahmin cooks is daily on the increase, the Asylum suffers badly whenever the brahmin cook tries to go on strike.

5. There are now 6 male attendants on Rs7 each per mensem. I propose that in lieu thereof there be 4 male attendants on Rs 7 each per mensem and two male attendants on Rs12 each per mensem. These two male attendants will be literate men and capable, one in compounding mixtures &c., and the other in sick nursing. For one hundred and seventy five patients a heavy amount of compounding in the way of preparing mixtures - powders, liniments &c., has to be got through, and a Compounder as such is therefore absolutely necessary. Even for small L.F.Dispensaries in the State a Compounder is provided. One for a big Institution like the Lunatic Asylum cannot be considered a luxury.

The financial effect of my proposal will be a small increase of Rs15 per mensem in the establishment.
